Directors Report for the Half Year Ended 31 December 2020

Your Directors present their report together with the Consolidated Financial Statements of Aeeris Limited ('the Company') for the half year ended 31 December 2020.

Directors

The names of the directors in office during and since the end of the financial period, unless otherwise stated, are as follows:

Mr Kerry Maurice Plowright
Mr Bryce Reynolds
Mr Nathan Young

Review and results of operations and financial position

The Company recorded a consolidated profit of \$348,455 for the period ended 31 December 2020 (2019 loss: \$184,468).

COVID-19 Impact Assessment

During the summer of FY20 the East Coast of Australia experienced multiple extreme weather events including mega bushfires, hailstorms, and flooding. This resulted in an unprecedented volume of enquiry which was subsequently disrupted by the COVID-19 pandemic. Business enquiry has since returned, including many of those momentarily distracted by the pandemic response. Many of these opportunities have been converted while others are still being processed. Businesses appear to have emerged from the current crisis with increased risk awareness with the upshot being a quality pipeline of new prospects and an increase of risk services being rendered to current clients.

Subsequent Events

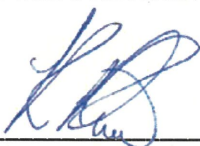

There have been no subsequent events since the end of the interim period and there have been no material impact from COVID-19 after balance date.

Auditor's independence declaration

The lead auditor's independence declaration in accordance with section 307C of the *Corporations Act 2001*, for the period ended 31 December 2020 has been received and can be found on page 4.

Signed in accordance with a resolution of the Board of Directors:

Director:

Mr Kerry Maurice Plowright

Dated this 11th day of February 2021

**AUDITOR'S INDEPENDENCE DECLARATION UNDER S 307C
OF THE CORPORATIONS ACT 2001
TO THE DIRECTORS OF AEERIS LIMITED**

I declare that, to the best of my knowledge and belief, during the half-year ended 31 December 2020 there have been no contraventions of:

- a. the auditor independence requirements as set out in the *Corporations Act 2001* in relation to the review; and
- b. any applicable code of professional conduct in relation to the review.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE HALF YEAR ENDED 31 DECEMBER 2020

NOTE 1. Statement of Significant Accounting Policies

Basis of Preparation

These general purpose interim financial statements for the half-year reporting period ended 31 December 2020 have been prepared in accordance with requirements of the *Corporations Act 2001* and Australian Accounting Standard AASB 134: *Interim Financial Reporting*. The Group is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

This interim financial report is intended to provide users with an update on the latest annual financial statements of Aeeris Limited and its controlled entities (referred to as the “consolidated group” or “group”). As such, it does not contain information that represents relatively insignificant changes occurring during the half-year within the Group. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of the Group for the year ended 30 June 2020, together with any public announcements made during the following half-year.

Accounting Policies

The same accounting policies and methods of computation have been followed in this interim financial report as were applied in the most recent annual financial statements.

The group has considered the implications of new or amended accounting standards but determined that their application to the financial statements is either not relevant or not material.

Critical Accounting Estimates and Judgments

The directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

Key Estimates

Capitalisation of development costs

Development costs associated with intangible assets are only capitalised by the Group when it can demonstrate the technical feasibility of completing the asset so that the asset will be available for use or sale, how the asset will generate future economic benefits and the ability to measure reliably the expenditure attributable to the intangible asset during its development.

AEERIS LIMITED
ABN 18 166 705 595
AND CONTROLLED ENTITIES
NOTES TO THE FINANCIAL STATEMENTS
FOR THE HALF YEAR ENDED 31 DECEMBER 2020

Key Judgements

Share-based payment transactions

The directors measure the cost of equity-settled share-based payment transactions with employees by reference to the fair value of the equity instruments at grant date. The fair value is determined by an external valuer using the Black Scholes Model simulation. The accounting estimates and assumptions relating to equity-settled share-based payments would have no impact on the carrying amounts of assets and liabilities within the annual reporting period but may impact expenses and equity.

Revenue

The directors have assessed the impact of AASB 15: *Revenue from Contracts with Customers* on the financial statements and have determined that other than unearned revenue, the Group has recognised revenue to depict the transfer of services to customers in an amount that reflects the consideration to which the Group expects to be entitled in exchange for the services.

Unearned revenue

The directors have assessed the impact of AASB 15: *Revenue from Contracts with Customers* on the financial statements and have determined that unearned revenue reflects the value of consideration that has or will be received before the transfer of services is made to customers.

**INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF
AEERIS LIMITED**

Report on the Half-year Financial Report

We have reviewed the accompanying half-year financial report of Aeeris Limited, which comprises the consolidated statement of financial position as at 31 December 2020, the consolidated statement of profit or loss, the consolidated statement of changes in equity, and the consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

Directors' Responsibility for the Half-year Financial Report

The directors of Aeeris Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410: *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of Aeeris Limited's financial position as at 31 December 2020 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Aeeris Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Aeeris Limited is not in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of Aeeris Limited's financial position as at 31 December 2020 and of its performance for the half-year ended on that date; and
- (ii) complying with AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*.
