Dear Shareholder

I am pleased to announce that we finish the half year with a strong balance sheet. **Cash & cash equivalents at the end of the period were \$3,094,012 with** total revenues of \$1,365,100 and customer receipts of \$894,873.

The forward outlook is bolstered by the continual growth of annual recurring revenue (ARR) which was reflected in the reporting from the previous quarter.

Our recent capital raising has enabled us to accelerate the development of new products, notably the EWN Climatics Platform (2.0).

During the period, we added a Risk Data Analyst and two Data Scientists to the team. In the last few weeks, we have recruited a Business Development Manager and Senior Developer. These additions to the team position the Company to grow and effectively exploit the opportunities being presented to us.

Proceeds of the capital raise are already being applied to business growth which is reflected in extraordinary expenses which include:

- Development of the Climatics platform (New climate platform due for release next month)
- Flood data – feeds into data analytics calculating climate risk
- Media – digital marketing (includes web development)
- Professional services including legals and HR

The half experienced an increase of extreme weather exacerbated by the LaNina system which continues to deliver flooding rains into most of Australia with the exception of WA which is suffering from heatwaves and fire emergencies. The impact of these events is causing supply chain and risk to life, assets and business operations. Flooding has been the greatest peril while cyclones, tornado's, extreme hail and a tsunami have highlighted the continual need to anticipate and mitigate against physical and chronic risks.

With new resources and products, we are looking forward to accelerating growth and opportunity through 2022.

Yours sincerely

Kerry Plowright

## Directors' Report for the Half Year Ended 31 December 2021

Your Directors present their report together with the Consolidated Financial Statements of Aeeris Limited ("the Group") for the half year ended 31 December 2021.

### Directors

The names of the Directors in office during and since the end of the financial period, unless otherwise stated, are as follows:

Mr Kerry Maurice Plowright  
Mr Bryce Reynolds  
Mr Nathan Young

### Review and results of operations and financial position

The Group recorded a consolidated profit of \$4,981 for the period ended 31 December 2021 (2020 profit: \$348,455).

### COVID-19 Impact Assessment

The impact of the COVID-19 pandemic has spilled over into the first half of FY22. While there is clearly an increase in the number of business enquiries, many discussions were disrupted. As noted in previous reports, business appears to have emerged from the current crisis with an increased awareness of risk. As a consequence, we enter the calendar year with a strong level of inquiry.

### Subsequent Events

There have been no subsequent events since the end of the interim period and there has been no material impact from COVID-19 after balance date.

### Auditor's independence declaration

The lead auditor's independence declaration in accordance with section 307C of the *Corporations Act 2001*, for the period ended 31 December 2021 has been received and can be found on page 5.

Signed in accordance with a resolution of the Board of Directors:

Kerry Plowright  
CHAIRMAN

Dated this 25th day of February 2022

**AUDITOR'S INDEPENDENCE DECLARATION UNDER S 307C  
OF THE CORPORATIONS ACT 2001  
TO THE DIRECTORS OF AEERIS LIMITED**

I declare that, to the best of my knowledge and belief, during the half-year ended 31 December 2021 there have been no contraventions of:

- a. the auditor independence requirements as set out in the *Corporations Act 2001* in relation to the review; and
- b. any applicable code of professional conduct in relation to the review.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE HALF YEAR ENDED 31 DECEMBER 2021**

**NOTE 1. Statement of Significant Accounting Policies**

**Basis of Preparation**

These general purpose interim financial statements for the half year reporting period ended 31 December 2021 have been prepared in accordance with requirements of the *Corporations Act 2001* and Australian Accounting Standard AASB 134: *Interim Financial Reporting*. The Group is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

This interim financial report is intended to provide users with an update on the latest annual financial statements of Aeeris Limited and its controlled entities (referred to as the “Consolidated Group” or “Group”). As such, it does not contain information that represents relatively insignificant changes occurring during the half year within the Group. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of the Group for the year ended 30 June 2021, together with any public announcements made during the following half year.

**Accounting Policies**

The same accounting policies and methods of computation have been followed in this interim financial report as were applied in the most recent annual financial statements.

The Group has considered the implications of new or amended accounting standards but determined that their application to the financial statements is either not relevant or not material.

**Critical Accounting Estimates and Judgments**

The Directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

**Key Estimates**

*Capitalisation of development costs*

Development costs associated with intangible assets are only capitalised by the Group when it can demonstrate the technical feasibility of completing the asset so that the asset will be available for use or sale, how the asset will generate future economic benefits and the ability to measure reliably the expenditure attributable to the intangible asset during its development.

**AEERIS LIMITED**  
**ABN 18 166 705 595**  
**AND CONTROLLED ENTITIES**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE HALF YEAR ENDED 31 DECEMBER 2021**

**Key Judgements**

*Share-based payment transactions*

The Directors measure the cost of equity-settled share-based payment transactions with employees by reference to the fair value of the equity instruments at grant date. The fair value is determined by an external valuer using the Black Scholes Model simulation. The accounting estimates and assumptions relating to equity-settled share-based payments would have no impact on the carrying amounts of assets and liabilities within the annual reporting period but may impact expenses and equity.

*Revenue*

The Directors have assessed the impact of AASB 15: *Revenue from Contracts with Customers* on the financial statements and have determined that other than unearned revenue, the Group has recognised revenue to depict the transfer of services to customers in an amount that reflects the consideration to which the Group expects to be entitled in exchange for the services.

*Unearned revenue*

The Directors have assessed the impact of AASB 15: *Revenue from Contracts with Customers* on the financial statements and have determined that unearned revenue reflects the value of consideration that has or will be received before the transfer of services is made to customers.

**NOTE 11. Fair Value Measurements**

All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy, described as follows, and based on the lowest level input that is significant to the fair value measurements as a whole:

Level 1 – Quoted market prices in an active market (that are unadjusted) for identical assets or liabilities.

Level 2 – Valuation techniques (for which the lowest level input that is significant to the fair value measurement is directly observable).

Level 3 – Valuation techniques (for which the lowest level input that is significant to the fair value measurement is unobservable).

The following table represents a comparison between the carrying amounts and fair values of financial assets and liabilities:

## **Directors' Declaration**

In accordance with a resolution of the directors of Aeeris Limited, the Directors declare that:

1. The financial statements and notes, as set out on pages 6 to 14, are in accordance with the *Corporations Act 2001*, including:
  - (a) complying with Accounting Standard AASB 134: *Interim Financial Reporting*; and
  - (b) giving a true and fair view of the consolidated group's financial position as at 31 December 2021 and of its performance for the half year ended on that date.
2. In the directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

**INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF  
AEERIS LIMITED**

**Report on the Half-year Financial Report**

We have reviewed the accompanying half-year financial report of Aeeris Limited, which comprises the consolidated statement of financial position as at 31 December 2021, the consolidated statement of profit or loss, the consolidated statement of changes in equity, and the consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

*Directors' Responsibility for the Half-year Financial Report*

The directors of Aeeris Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

*Auditor's Responsibility*

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410: *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of Aeeris Limited's financial position as at 31 December 2021 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Aeeris Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### *Independence*

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

### *Conclusion*

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Aeeris Limited is not in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of Aeeris Limited's financial position as at 31 December 2021 and of its performance for the half-year ended on that date; and
- (ii) complying with AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*.
